**If your job
is boring, try one
of ours.**

- Try rappelling out of a helicopter.
- Try getting up at 5 in the morning.
- Try 50 push-ups.
- Try repairing a \$2 million piece of equipment blindfolded.
- Try running 2 miles in 12 minutes. Into the wind.
- Try feeding 200 hungry soldiers in the middle of a desert.
- Try finding your way through a wilderness.
- Try the Colorado head-on in a raft.
- Try learning a foreign language.
- Try tracing the footsteps of Lewis and Clark.
- Try running your own company at 19.
- Try sleeping under the stars.
- Try it now. Because, someday you'll be glad you did.

**Getting all your
adventure from TV?**

Instead of getting your excitement from watching the exploits of others, you could be having some of your own.

By driving a tank. Or jumping out of a plane. Or learning to sleep in the rain.

Or by learning a job you never thought you could do. Or doing a job you never thought could be done. Or going places you never thought you would go.

Or simply by putting on a uniform and getting satisfaction from an old-fashioned feeling that you're doing your best in the service of your country.
